wire hanger. Somewhat detailed  
\$34

All paintings are done on canvas board, unless indicated as something different like the light up projects on stretched canvas. Please note, any stretched canvas with lights, wood projects or glass projects are priced differently than canvas boards.

All Parties are done in your home, restaurant, school or church. I bring all materials to you. Because of the Christmas season, which is my busiest time of year, I ask for a minimum of 8 people, and I ask for a 1 painting security deposit after I add you to my calendar. Most paintings take up to 2 hours to finish. The

lighted projects are about 2-2.5 hours. The candles and wine glasses are 1 to 1.5 hours, wood signs about 2 hours to complete.
