

## Summer Special for Your Fun In-Home Paint Nite Parties, Only \$22 each through August 31<sup>st</sup>, was \$28-32

For in-home parties I have a minimum of 7 people to 40! Parties can be Ladies Night Out, Couples Parties, or Family Parties. They can be held in your home or at a restaurant, church or hall.

Ask to see my catalog of over 80 paintings to choose from. Once you choose a painting and

verify that we are available on your date; we will add you to our Registration Calendar.

We will send you the link to then send to your fellow painters, to pay online. There is a \$22 security deposit towards your party to hold the date.

Most painting designs have penciled in guidelines, which is why I have everyone prepay online – so that I can prepare the canvas before your event.

Plus with each person paying online; the hostess does not have to handle money.

I arrive 45 minutes early for setup. I bring easels, aprons, brushes, 11 x 14" canvas, acrylic

paint, etc. Hostess should cover tables with plastic (the dollar store has many colors to choose from). I ask that you do this because I do not know what setup/format of tables I am walking into. The average painting session lasts 1.5 hrs to possibly 2 hrs.

Parties should be held indoors due to wind, humidity and insects!!  
There is minimal mess and I clean the paint, brushes, etc. before leaving. Your paintings should be dry by then to take home.

Please email Smiling Shamrock with a date you are thinking of; to see if we are available.

Thank you!
